

## Outstanding Hygienist of the Year

Purpose: This award is presented to an individual who has contributed outstanding service in the dental hygiene field. This may be done across the state of ND or in their local community.

### Criteria:

1. Accomplishments
2. Length and quality of project that was completed
3. Any offices or promotions achieved
4. Commitment and dedication to the profession
5. Timeliness and creativity developed in the project
6. Collaboration with other professionals

Using the criteria listed, please write a brief paragraph (four-five sentences) describing each characteristic. You may use another sheet of paper if needed. Selection will be based on the candidate that best describes the qualities of an "outstanding hygienist" for 2012.

1. Describe the professional accomplishments of this candidate:
  
2. How long did the dental project take to complete and what was the importance of this project:
  
3. Was the candidate promoted or did she/he receive an office in their organization? Describe:
  
4. List some of the activities that display the candidate's commitment or their dedication to the dental hygiene profession:
  
5. Describe the timeliness and creativity developed in this dental project:
  
6. List the other professionals that helped with the success of this project:

Application Deadline by hard copy or email: September 1, 2013
