

## Outstanding Young Professional

Purpose: This award is presented to recognize an individual that displays enthusiasm and professionalism for the field of dental hygiene.

Criteria:

1. Must have graduated from an accredited college within the past 5 years
2. Must have performed a project that displayed the importance of dental hygiene to their recipients
3. Timeliness and creativity of the project
4. Collaboration with other professionals

Using the criteria listed, please write a brief paragraph (four-five sentences) describing each characteristic. You may use another sheet of paper if needed. Selection will be based on the candidate that best describes the qualities of an "outstanding young professional".

1. What year did the candidate graduate from college? What was the name of the college or university that granted the candidate their dental hygiene degree?
2. Describe the project the candidate did that displayed the importance of dental hygiene to the members of their community or to their chosen recipients?
3. Describe the timeliness and creativity developed in the dental project:
4. List the other professionals that helped with the success of this project:
